Once again, The Bancroft Art and Craft Guild is holding its outdoor summer show in Millennium Park on the same weekend as the International Rockhound Gemboree.

Over 3,000 visitors come to Bancroft for the Rockhound Gemboree, as well as being a summer playground for many, with lakes, parks and many recreational facilities close to our town. The August long weekend is a perfect time to demonstrate all our talents to as many people as possible, at a time when our town is traditionally very full!

Our show provides a splendid showcase for the many talented artists and artisans in our area and beyond. The show is situated along the banks of the York River and its downtown location provides great exposure to drive by traffic and free parking. Customers are treated to lively music from local musicians, no admittance fee and able to purchase food on site. Indoor vendor booths are available at Club 580, adjacent the park.

We are enclosing an application for our show, which will be a two day show (Saturday and Sunday) and we hope you will join us.

Deadline to apply is May 30th, 2019. Booths will be assigned upon confirmation of application. For returning vendors, we cannot guarantee booth space from previous year until your application has been received. Please apply early to avoid disappointment.

Sincerely,

The Organizing Committee for the Bancroft Art & Craft Guild
